

Puppy Inquiry Questionnaire

Thank you for your interest in an Edencroft Pomeranian! If you would like to own one of our Pomeranians, please begin the process by reading and filling out this questionnaire below.

We feel a responsibility to find the best possible home and environment for our dogs. This questionnaire helps us determine which, if any of our dogs will be suited to your household. Please answer each question honestly and in full as it will help determine a good match. Filling out this questionnaire is not a guarantee of a puppy.

Please note: Due to various reasons, not all applicants are a good fit and some are not selected. Please understand that available puppies, retirees and/or young dogs are very limited, and I cannot foresee how long it might take to find a match.
